REMARKS

This year has been one of uncertainty and expense. The school work has been broken up a great deal by the epidemic and by the changing of teachers in many of our schools. We have made up considerable time and hope to nearly complete the full year of work before July.

The pupils have been examined twice, under the provisions for medical inspection, adopted last year. At the last examination made since September, the following results were tabulated: Whole number of children examined, 208. 102 pupils were found with some defect: viz: defective teeth, 90; enlarged tonsils, 23; adenoids, 14; defective eyesight, 13; partial deafness, 4; impaired hearts, 4; enlarged glands, 2; skin affections (not contagious), 3; anaemia, 2; nervous disease, 1. 102 cards were sent to parents, notifying them of the ailments found, and 34 pupils had received treatment and been cured or relieved since the previous examination last spring. We feel that this early inspection has accomplished considerable and if followed will be of increasing value. Where treatment is secured the pupils receive permanent benefit and when, in cases like heart disease, warning is given the child can benefit by the advice and be saved from over exertion and possibly early death. We recommend that medical inspection be voted again this year and expect increased benefit therefrom.

In order to secure the best teachers and thus improve our schools, we must pay higher salaries. To do this it is necessary to raise more money and in our estimates for the coming year we have felt obliged to make the increase necessary to compete with our neighboring districts and so that we may secure the best of the teachers available.

RECOMMENDATIONS

We recommend that the district raise and appropriate the following amounts under the several articles:

Article 7. $4,000 in addition to the amount required by law.

Article 8. $200 as usual.

Article 9. $150 for medical inspection.

Article 10. $90 for reinsuring the Cutler school for 5 years.

To the Selectmen:

In conformity to law, the School Board recommends the following assessments for the ensuing year:

For high school tuition,	$1,500 00
For books and supplies,	500 00
For flags and appurtenances,	25 00

The amount required by law to be raised for the support of schools in Swanzey for the ensuing year is $2,002.50.

Owing to legislation now under consideration at Concord, it is unwise to have the district meeting on town meeting day. As soon as this matter is decided, we shall post the warrant for the annual district meeting, to be held not later than April 20th, as required by law.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Board of Education, Swanzey, N. H.

I hereby submit my seventh annual report as superintendent of schools.

THE TEACHING FORCE

The following changes have occurred since my last report:

Resigned	School	Elected
Katherine B. Atwood	Cutler School, Gr. 1, 2,	Adelaide Gay
Alta F. Silsby	Cutler School, Gr. 3, 4	Mary Hanna
Hazel M. Elwell	Cutler School, Gr. 5, 6	Mary Nugent
Cecelia M. Burpee	Cutler School, Gr. 7, 8	Hazel M. Elwell
Hazel M. Elwell	Cutler School, Gr. 7, 8	Sara A. Lucas
Susan M. Acherman	East Swanzey Grammar	Vesta Knight
Annie E. Lynch	East Swanzey Primary	Ethel Murphey
Grace E. Carlin	School No. 5	Lillian F. Barrett
Lillian F. Barrett	School No. 5	Sibbelle G. Forsythe

Three schools only retain the teachers of last year. The above table shows that there were nine resignations in a corps of ten teachers or ninety per cent of changes. These changes were the result of an unprecedented shortage of teachers due to their entrance into war work and its related industries. The

sharp advance in wages due to these conditions accounts for the 15 per cent increase this year in teachers' salaries.

School sessions have been suspended for from five to seven weeks because of the prevalence of influenza and for as many more weeks there has been a marked decrease in school attendance for the same reason.

SCHOOL ATTENDANCE

The following table gives the statistics of attendance for the school year ending July 15, 1918.

Number of different pupils enrolled,	250
Number under five years of age,	3
Number between five and eight,	72
Number between eight and fourteen,	157
Number between fourteen and sixteen,	9
Number over sixteen,	1
Average membership,	206
Average daily attendance,	187
Number of pupils in the district attending high schools in other districts,	36
Number of pupils from the district attending academy,	0
Number of pupils entering Keene high, September, 1917,	12

SCHOOL GARDENS

Last spring eighty-two school children of Swanzey enrolled in the Army of Junior Food Producers, planted gardens and raised vegetables estimated to be worth over $750. In all the schools of New Hampshire there was an enrollment of more than 32,000 members who produced over $100,000 worth of food material.

We are to have garden projects again this year because it is believed that gardening is quite as fundamental in elementary education as are manual training, sewing and any

other of the constructive activities which employ the muscles as well as the mind. Moreover gardening under school guidance is important this year because it will give an opportunity to school children to "do their bit" to help America to meet its obligation to the stricken countries of Europe. This year the Junior Food Producers are recognized as a Division of the United States School Garden Army. This recognition brings with it as helps a large number of leaflets on special phases of garden work which will be furnished free to every member of the army. The aim this year in New Hampshire is an enrollment of 50,000, and a production of $250,000 worth of vegetables.

We urge the hearty cooperation of all parents and other friends of the schools in our effort to place the Swanzey regiment on record as having taken an honorable part in this worthy enterprise. Already membership blanks are in the hands of all the teachers and the enrollment of the children is in progress with the prospect of a substantial increase over that of last year.

The educational forces throughout the country are emphasizing the importance of the enrichment of the school program in five directions:

1. By the teaching of current events to inform the pupils of the present activities and ideas of world importance.

2. By teaching personal and community hygiene in a way to make it function in correct living and worthy citizenship.

3. By teaching lessons of thrift with application in the purchase of thrift stamps.

4. By teaching conservation through instruction in economy, savings and avoidance of waste in small things.

5. By the introduction of school-home gardens to furnish that important educational training which is derived from those constructive activities which employ the muscles as well as the mind.

Instruction in current events has occupied a place in the weekly program of the Swanzey schools for many years past.

Instruction in practical hygiene has been practiced with increasing emphasis from year to year. We are now receiving the cooperation of the Red Cross society in bringing to the attention of children specific daily chores to be performed that the habit of doing them may be inculcated.

Thrift instruction has been given in the Swanzey schools for many years and with the cooperation of the Keene National Bank the children have been encouraged to bank their small savings. During the past years more than a thousand dollars worth of Thrift and War stamps have been bought by the pupils.

Through the economical and careful use of pencils and paper and other supplies the children have been led to practice the art of conservation which is so important to personal and community prosperity.

Gardening has been for five years a subject of instruction in our schools. The work was begun under the able leadership of Mr. Carlisle who established boy's clubs in each village of the town. Since then the work has broadened and extended until last year the garden products amounted to $750.

We are justly entitled therefore to the recognition of the

fact that in the newer work of the school as well as in older subjects we are fully abreast of the times.

In several of our schools the interruption of the work which the prevalence of influenza and the changes of teachers caused will prevent the full performance of a year's work. We are striving however to secure by more intensive work as great an ameliorization of these conditions as may be practicable.

Respectfully submitted,

ANDREW P. AVERILL.

(TOWN WARRANT)

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Swanzey in the County of Cheshire in said state, qualified to vote in town affairs:

You are hereby notified to meet at the Town House in said Swanzey on Tuesday, the eleventh day of March next at nine o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

3. To hear the reports of town officers and agents in regard to the present methods of conducting town business and to receive any suggestions as to changes and to act thereon.

4. To see if the town will vote to raise money to secure state aid on its highways or take any action thereon.

5. To see if the town will vote to raise $250 for state aid maintenance, the state to give $250.

6. To see if the town will vote to raise $3,500, the state and government to give $7,000.

7. To see if the town will vote to raise $2,600 to maintain its trunk line, the state to appropriate $3,900.

8. To see if the town will appropriate $200 for the control of the white pine blister rust, to be duplicated by the state fund, also by the government fund, making a total of $600 available.

9. To see how much money the town will vote to raise to decorate soldiers' graves.

10. To see how much money the town will vote to raise for Richardson Park.

11. To see how much money the town will vote to raise for Old Home Week.

12. To see how much money the town will vote to raise for care of cemeteries.

13. To see how much money the town will vote to raise for electric lights.

14. To see if the town will vote to raise $100 for Stratton Free Library.

15. To see how much money the town will vote to raise for the maintenance of the fire department.

16. To see how much money the town will vote to raise towards paying the town debt.

17. To see if the town will vote to give a discount on all taxes paid by the first day of July.

18. To see if the town will vote to place one light on the pole already set beside the railroad station at Westport.

19. To see if the town will vote to have the April invoice printed in the town report permanent.

20. To see if the town will vote to accept a gift of $100 returned from Red Cross fund from George E. Whitcomb.

21 To see if the town will vote to accept the old district way of working the town highways.

22. To appoint one committee for Old Home Day.

23. To see if the town will vote to place a suitable honor roll for the boys of our town who served in the World War, in or outside the town hall, Swanzey Center, and appropriate money for the same.

FRED D. CHICHESTER,
